

Faith International Academy

DEFINITIONS OF STUDENT CATEGORIES

The Faith International Academy Board of Trustees defines the financial categories of students in the 3 categories below.

CATEGORY I (Children of Families in Ministry)

The student is the child of Evangelical Missionaries, Fulltime Pastoral Staff, Fulltime Bible/Seminary Students, or Tentmakers.

CATEGORY II (Guest Student)

1. The student is the child of Fulltime Christian Workers or NGO Workers (evangelical mission statement), Guests Students, Children of Alumni, and Former Students. Guest Students and Children of Alumni are students who have never been a part of the Faith community and who do not meet the criteria for Category I students. Such students must be recommended and sponsored by a member of the Faith International Academy of Davao City missionary community. These students will be approved by the Administration on a case by case basis. Mission minded Christian students with strong academics will be the main members of this category. Guest students must enroll in full-time study for complete semesters up to a maximum of one year.
2. Former Students are defined as students who have previously been enrolled as regular admission students but whose parents have since repatriated long-term to their home country. These students may return to Faith International Academy of Davao City subject to approval by the Administration and must enroll in full-time study for complete semesters up to a maximum of one year.

CATEGORY III (Business and Diplomatic Student)

The student is the child of Diplomat/Embassy Workers, Business Workers, and Secular NGO Workers. These are children of non-missionary parents who are willing to sign an agreement to cooperate with the distinctives of our program on space-available basis.
