YOU CAN HELP WITH STAFF RECRUITMENT

"When I was involved in teacher recruitment as head of school, there were two factors that seemed as important as all of our other marketing and recruiting efforts - 1) word of mouth, and 2) prayer. These two factors are ways that YOU too can be part of the staff recruitment efforts at your school: pass on the needs and openings among your personal network of friends and churches, and then pray that the Lord will provide the right people to join your team." ~Tim Shuman, ACSI Regional Director for International Schools

Our most recent opportunities list is attached sharing positions we need for next school year. Some could also be filled as soon as possible if people are available sooner. Please join us in prayer for God's provision of our staff needs and share the **attached list** with those you know.
