Dear Parents:

Thank you for your interest in Faith International Academy of Davao City for the 2023-2024 school year. We are committed to equipping students to be Christ-like, lifelong learners by providing a dynamic, relevant education.

Please find enclosed with this letter a set of important documents for the application of your child(ren). Please return the application completed in full along with the following for each applying student:

- A copy of the child(ren)'s birth certificate
- A copy of the child(ren)'s passport photo page
- Transcripts and/or report cards from previous schools, if available
- Results from standardized tests (e.g. Stanford, Terra Nova), if available

Once we have received your completed application packet, our admissions committee will determine whether any English proficiency or academic placement testing is required. We will contact you to schedule necessary testing. Following the completion of testing, you will be notified of your child's admissions status and start date (if accepted) as soon as possible.

An information sheet with school tuition prices is included. We work very hard to exert good stewardship and to keep fees affordable. Please return applications to the Faith International Academy Academic Office. The application fee is Php3,500.00 and Php3,000.00 for each additional student per family. This fee should be paid at the Business Office.

Our partnership with you is crucial as we strive to provide the quality education and care they need.
